

"Sup?"

Tripping out?

"REX, you say something?"

Worried about:

- BEING FOLLOWED
- EXPERIMENTED ON
- MESSAGES FROM TV
- ALIENS WATCHING
- VOICES
- SECRET PLOTS

IT MIGHT BE PSYCHOSIS

**It is treatable,
the earlier the better**

Options to find out more:

1. Ring **1300 881 104** and ask for your local early psychosis worker
2. Grab a Hume REPS brochure
3. Visit www.humereps.org.au

Has a MATE been?:

Seeing things ...losing weight... isolating themselves...anxious...acting weird ...suspicious...not making sense...having sleep problems...lost motivation...trouble concentrating.....imagining stuff...moody...looking scruffy... hearing voices ...saying some odd stuff... just not able to function

There is help, help them to get it.
